

Peek at the Week

Year 3 – 30th September 2022

Important Dates / Reminders

- 3 Rashford - swimming continues on Monday
- Homework is due in every Friday morning. The spelling test will take place on Friday too.
- A reminder about reading. All children have been provided with a reading record and reading book. Please do encourage your child to read and record any reading completed in the reading record. Children are expected to read in accordance with the pupil handbook reading expectations. Books will be changed once your child has read with an adult in school and we can assess their understanding of the text. Please ask your child to speak to an adult when they want to change their reading book. There is no set date for this.
- School council elections took place yesterday. Results will be announced in assembly.

Learning together week

The year three team look forward to welcoming you to our classrooms next week. We know you will be impressed with how hard your child works whilst in school. Unfortunately, if you have not booked your slot, you will be unable to stay in class.

Our Learning

English

This week the children have written their own version of 'The Stone Age Boy' and the teachers have been very impressed by the exciting vocabulary they have used. The children have used their historical knowledge of this time period to write a narrative about this exciting time. Writing features include time adverbials, onomatopoeia and similes. On Monday the children will edit their work. Well done everyone!

Maths

This week, the children have continued using their knowledge of thousands to estimate, compare and order numbers. They have also counted in 50s and applied number bonds within 10. Next week we start the addition and subtraction unit.

PSHRE

This week we have focused on identifying positive achievements and the children have enjoyed sharing things about themselves that they are proud of.

Fruit and water bottles

There are still a number of children who are forgetting to bring in water bottles and fruit for break time. Please can we have your support in reminding them. Thank you.

Year 3 wommery

We are still looking to create a year three wommery to support our science unit. If you have a wommery that we could borrow or any equipment that would help us make one, please do let us know!

Star of the week

3Rashford: Loki

3Moore: Laila

3Wicks: Eesha
