Wednesdays: wear the correct PE uniform to school. No earrings or jewellery.

Fridays: Spelling test. Homework due:

HOMEWORK

- Reading x3
- Spellings/ English x1
- Maths x1
- Homework Menu piece x1

Our Learning

This week, we completed our history unit on the Roman invasion and settlement of Britain. We researched the influence the Romans had and created an information page. We identified states of matter and their properties in science.

In maths, we compared and ordered numbers up to 10,000 and explored Roman Numerals.

In English, we planned and wrote our own diary entry, from the perspective of a Roman slave. We had the chance to share them with our peers.

Next week, we will understand what happens to different states of matter when they are heated and learn the different processes when matters change their state.

In maths, we will learn the skills to round 4-digit numbers to the nearest 10, 100 and 1000.

In English, we will begin our new book Charlotte's Web by E.B White. We will make predictions using the front cover and explore settings and character.

Year 4 Virtual Reality Workshop:

PSHRE Focus: Being Me in My World. In PSHRE this term, we will learn that our attitudes and actions make a difference to our class team. We will acknowledge who is in our school community, the roles they play and how we fit in. We will understand that our actions affect ourselves and others. We will learn to care about other people's feelings by trying to empathise with them.

Child of the week:

4 Redgrave: Kyle **4 Simmonds:** Isaac **4 Farah:** Chloe

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
