This week, we started our RE unit on the Islam. In our first lesson, we looked at a range of artefacts and made inferences about the people who may have used them.

### Our Learning

**This week**, we continued exploring the Islamic Empire before starting our RE unit in which we learnt all about Islam as a religion.

**In maths**, we learnt new strategies to understand percentages, linking them to: fractions, decimals, and rectilinear shapes.

**In English**, we researched our chosen topic and wrote our own persuasive pitch focusing on either walking to school, fast fashion or planting trees in public spaces.

**This term in PSHRE**, we began our 'Healthy Me' topic and looked at making healthy choices as we grow older.

**Next week**, we will begin our art unit which focus on pattern making, photography and mix media artworks. We will learn about tessellation; Islamic geometric and vegetal artworks; Lalla Essaydi's photography; calligraphy; and Yayoi Kusama's installation pieces.

**In maths**, we will carry out our termly assessments in arithmetic and reasoning.

**In English**, we will complete Spelling, Punctuation and Grammar Assessments and a Reading Assessment. This will support the children to develop their test stamina and build up their confidence for the SATs next year.

### Child of the Week
