

# Year 5 Peek at the Week

## 19th January 2024

### Important Dates / Reminders

World religion day/ Multi cultural Day: Friday 19th January

Learning Together Morning: 25th January

World Book day: 8th March

Stem week: 11th March

Science Museum Trip: Wednesday 13th March

Ramadan: 18th March

Colour Run/Holi: 25th March

### Our Learning

**This week**, we continued our Science topic focusing on Space. In particular, we explored our solar system and focused on day, night and the phases of the moon!

**In maths**, we continued our topic of multiplication, learnt new strategies to multiply 3 digits by 2 digits, and 4 digits by 2 digits. We have progressed onto our new topic and moved onto short division.

**In English**, we continued to watch One Small Step- a story about a girl called Luna- and will eventually retell this narrative in our own words.

**This term in PSHRE**, we will be looking at Dreams and Goals. Here we will focus on the values of hope and trust.

**Next week**, we will learn more about why there is life on Earth, the Goldilocks planet, and write our own space-themed versions of this fairy tale.

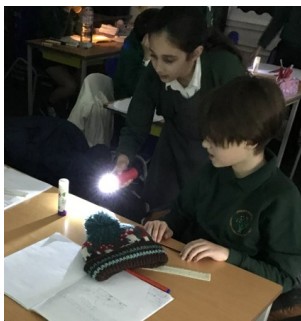

**In maths**, we will continue our topic of division, and develop strategies to divide 4 digits by 1 digit, divide with remainders and multiply unit fractions with integers.

**In English**, we will continue writing effective sentences, focussing on complex sentences that extend our writing. We will then retell this narrative in our own words.

It was lovely to see the Year 5 children make such an effort for World Culture Day!

The children used torches to understand more about how shadows are created and Oreos to explore the phases of the moon!

### Child of the Week

5Dawe: **Finn** 5Maple: **Joshua** 5Ofili: **Mehnoor**

### Word of the Week: **hindrance**

Remember to read 3 times a week and practise your timetables on Rockstar Maths and Doodle Maths.
