

# Year 5 Peek at the Week

## Friday 5th July 2024

### Important Dates / Reminders

- 8th July: Summer Fayre
- 10th July: Whole Day at Burnham Grammar
- 17th July: Sports Day
- 19th July: Reports go home
- 25th July: End of term

### Our Learning

**This week**, we continued with our science unit with an eco-friendly eye: we learnt about life cycles and then explored the importance of bees. We also learnt about scientists that dedicate their lives to conservation.

**In maths**, we looked at time. We focused on the theoretical and practical side of telling the time using a digital clock and analogue.

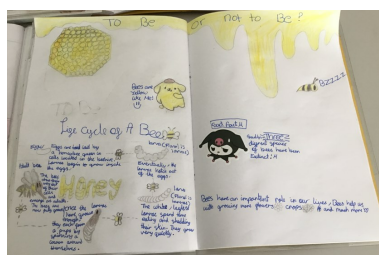

**In English**, we continued to read "Street Child", and delved deep into the text and connecting with the characters through targeted tasks.

**Next week**, we will finish off our science unit by writing a short story that explains the human life cycle.

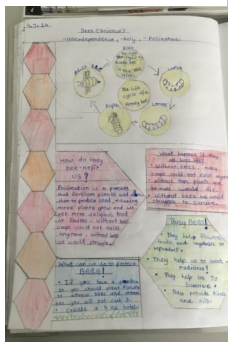

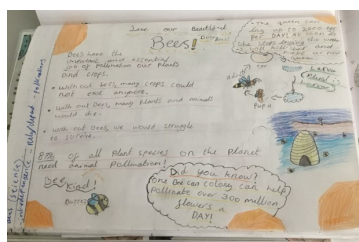

**In maths**, we will begin our new topic 'Volume'. We will particularly focus on cubic cm's, comparing volumes and estimating.

**In English**, we will continue exploring our text 'Street Child'. We will create opportunities where the children will step into the shoes of our characters, and use it in persuasive arguments, and creating adverts with an emphasis on marketing skills.

In Science, we looked at a bees life cycle and created information posters

created information posters

**PSHRE Focus:** In PSHRE this term, we are on our last JIGSAW unit 'Changing Me' where we will learn about self-image, puberty and coping positively with change. Towards the end of the unit, we will start preparing ourselves for the year ahead by focussing on building healthy relationships and learning the skills required to develop resilience, assertiveness and self-respect.

### Child of the week

5Dawe: **Ariella** 5Maple: **Bhavay** 5Ofili: **Ugne**

### Word of the Week: **variety**

Remember to read 3 times a week and practise your timetables on Rockstar Maths and Doodle Maths.
