

# Year 5 Peek at the Week

## Friday 12th July 2024

### Important Dates / Reminders

17th July: Sports Day

19th July: Reports go home

25th July: End of term

3rd September and 4th September: Teacher Insets

5th September: Children back to school

### Our Learning

**This week**, we finished off our science unit by writing a short story that explains the human life cycle

**In maths**, we started our new topic 'Volume'. We focussed on cubic cm's, comparing volumes and estimating.

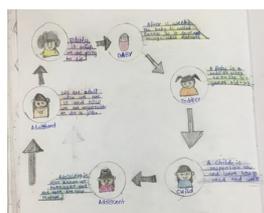

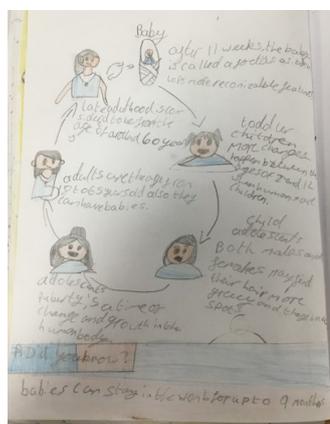

**In English**, we continued to explore our text 'Street Child'. We created opportunities where the children stepped into the shoes of our characters, and used it in persuasive arguments, and creating adverts with an emphasis on marketing skills.

**Next week**, we will start our cooking and nutrition unit where we will be looking Great British Dishes.

**In maths**, we will continue our topic of Volume, but will focus more on the practical side of measuring and comparing.

**In English**, we will continue to read our text 'Street Child'. We will be coming towards the end of the text, and will focus on writing strategies based on summarisation, comparing texts and creating an emotional graph for our characters.

We created information pages about the human life cycle.

**PSHRE Focus:** In PSHRE this term, we are on our last JIGSAW unit 'Changing Me' where we will learn about self-image, puberty and coping positively with change. Towards the end of the unit, we will start preparing ourselves for the year ahead by focussing on building healthy relationships and learning the skills required to develop resilience, assertiveness and self-respect.

### Child of the week

5Dawe: **Kaleb** 5Maple: **Maiza** 5Ofili: **Aashna**

### Word of the Week: **vegetable**

Remember to read 3 times a week and practise your timetables on Rockstar Maths and Doodle Maths.
