Our Learning

This week, has been full of exciting experiences for Year 6! We visited the Cippenham Baptist Church to learn more about Christian beliefs about the Christmas story. We also had the opportunity to take part in an interactive performance of 'Macbeth' when the Young Shakespeare Company visited us. This visit has inspired our writing and some drama lessons.

In Maths, we completed some practice SATs papers in preparation for the statutory tests in May.

Next week, we will be continuing to explore the story of Macbeth and how the different characters develop during the play.

In Maths, we will be learning more about measure and how to convert different measurements.

On Saturday, Priory Friends will be organising our annual Christmas Fair. The choir will be performing and we would love to see as many of you there as possible.
