Maths homework will be set on a Monday and is due in school the following Monday.

Children will be set a new homework menu after half term. They should select and complete one option each week. The work will be shared in as class homework gallery at the end of term.

The children have a spelling test each Wednesday and should bring in their grammar homework to be marked.

Don't forget to wear the correct PE uniform to school each Thursday.

Our Learning

This week, we began a unit in Geography to develop our knowledge of the world's continents. We also learnt more about different climates and biomes.

In English, we began a unit on biographical writing. We read biographies of Harriet Tubman, Rosa Parks and Benjamin Zephaniah.

In Maths, we began a unit focussing on developing our knowledge of fractions.

Next week, we will be continuing our geography unit by learning about the world's natural resources. In History, we will study the reign of William the Conqueror and the power he had as an absolute monarch. In Maths, we will be continuing to explore fractions with a focus on adding and subtracting fractions and mixed numbers. In English, we will be researching some influential black figures and writing biographies about them. Some of these will be published to create a display in the Year 6 corridor.

Happy Halloween!
