Important Notices:

Please can children be reminded to learn their lines and ensure that they have sorted out a costume. Costumes should be brought into school in a named carrier bag.

Our Learning

This week, we have begun rehearsals for the Year 6 Production of 'Aladdin'! The children have been working hard to learn their lines and the songs.

We have also been continuing our unit of geography learning about important cities. The children were able to choose a London landmark to research and created some super information pages in their Learning Logs.

Next week, we will be continuing with rehearsals. In computing,, the children will be exploring how to program microbits to develop their coding skills. In geography lessons, we will be discussing the advantages and disadvantages of living in a city verses living in the countryside. A number of secondary schools will also be visiting so that the children can meet their new Year 7 teachers.

Child of the Week

- 6 Attenborough: James
- 6 Anning: Ved
- 6 Goodall: Teeann
- 6 Darwin: Yasin

Word of the Week: sufficient
