Maths homework will be set on a Monday and is due in school the following Monday.

Children should select and complete one option from their homework menu each week. The work will be shared in as class homework gallery at the end of term.

The children have a spelling test each Wednesday and should bring in their grammar homework to be marked.

Don't forget to wear the correct PE uniform to school each Thursday.

### Our Learning

**This week**, we had a 'Mock SATs week' to prepare for the real SATs in May. We completed tests in reading, grammar, spelling and Maths.

In the afternoons, we began a DT unit where we researched and designed a bread recipe. Today we celebrated World Book Day and explored the theme of quests. Have a look at the school website to see some photos of our incredible costumes!

**Next week**, we will be baking some bread and evaluating how successful our recipes are. We will also be beginning a unit of work in art lessons to study the life and work of the Mexican artist, Frida Khalo.

In Maths, we will be exploring how pie charts can be used to share data. Each class will be taking part in a 'Puzzle Workshop' to celebrate STEM Week.

In our English lessons, we will be publishing our non chronological reports.

STEM Week celebrates the subjects of Science, Technology, Engineering and Maths. This year's STEM Week theme is 'time'.

SCIENCE • TECHNOLOGY • ENGINEERING • MATHEMATICS
