### Our Learning

**This week**, we continued to explore the story of Macbeth and the motivations of different characters in the play. We wrote several pieces inspired by events including an inner monologue and a letter.

In Maths, we have begun to study measure. We have learnt how to convert between different units of measure including conversions between miles and km and imperial measure.

On Thursday, we had some special visitors when Santa's reindeers come to Priory!

**Next week**, we will be writing spells inspired by the three weird sisters in Macbeth. In Maths lessons we will be completing some Christmas problem solving challenges..

On Wednesday, we have our Christmas lunch and the Year 6 Christmas party.

The children should bring in their half term homework menu projects so that we can share the work in a class gallery.
