Our Learning

This week, we turned our plans into biographies. We wrote about the lives of some influential black figures including: Katherine Johnson, Muhammad Ali, Nelson Mandela and Mary Seacole. Some of these will be displayed in the Year 6 corridor.

In Maths, we learnt how to multiply and divide fractions and had a go at using the website <https://mathsbot.com/primary/ks2> to practise our arithmetic skills online.

Our history lessons continued with us studying the changing power of the monarchs: John, Henry VIII, Elizabeth I, Charles I and William and Mary.

Next week, we will be learning about the reign of Queen Victoria and discussing how people who lived in the British Empire might have. We will also be creating some collage in Art inspired by Queen Elizabeth II. In English, we will be completing some practice SATs tests and Maths lessons will focus on finding fractions of amounts.
