Our Learning

This week, we have been working hard in English and Maths lessons to prepare for the Key Stage 2 Maths tests that take place in May.

Our topic work this term will be inspired by famous cities and we have begun by studying the history of London with a focus on some key events including the Gunpowder Plot.

Next week, we will be exploring ratio and proportion in our Maths lessons. In English, we will be learning some tricky grammar terminology.

In history, we are going to learn more about key events that have occurred in London's history with a focus on 'The Great Plague' of 1665 and the Great Fire of London of 1666.

In Computing this half term, we are learning more about how to stay safe online.

Our new topic is 'Monumental Cities'

Check the Y6 page on the website for more details of what we will be learning:
