Please can children be reminded to learn their lines and ensure that they have sorted out a costume. Costumes should be brought into school in a named carrier bag.

Our Learning

This week, we have continued with our rehearsals for the Year 6 Production of 'Aladdin'! On Friday, we performed a dress rehearsal to some of the other year groups. We have been working so hard and it was really exciting to have the opportunity to perform in front of a real audience!

Next week, we are excited to be performing to our families and another dress rehearsal to the school.

We will also be exploring how different bridges are constructed and designing our own bridge to meet a given design brief. This is all part of a Design Technology unit and will allow us to work in teams to solve a series of challenges.

On Tuesday, we have a visit from the Cippenhams Baptist Church who will be talking to us about how to cope with transition to secondary school.

Well done Year 6!

You have all been working so hard on your Production.
